## **Terms and Conditions**

To qualify for this club you must be a savvy club member. You are free to take single hours at a time or choose to focus on longer sessions. You may like to consider a lesson hacking out, cross country or something specific needing more time. The lessons have to be taken in the 12 month period, payments will not be reimbursed if you do not use all your hours. You can cancel at any time, providing your payments cover the cost of tuition already received.
